COMMUNICATION TO EXAMINER

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In a telephone conversation with the Examiner on August 22, 2007, the undersigned pointed out deficiencies in the FINAL Action mailed August 9, 2007, in that the Action failed to take into account that eight (8) of the original claims were cancelled in the intervening Response filed May 23, 2007. Further, the grounds of the rejection as to claim 4 at page 3 and as to claim 17 at page 5 are defective, since while asserting to be based on grounds of rejection of respective, preceding claims - - none is designated as to claim 4 and withdrawn claim 16 is erroneously designated as to claim 17.

Examiner Getachew graciously agreed to issue a Replacement Office Action correcting these defects and setting a new Response date, which action is greatly appreciated.

Respectfully submitted,

STAAS & HALSEY LLP
